N10 - Specification:

'WS...M' - Mesh Wall Shelf with Hanging Rail:

Dimensions: 345mm deep with 250mm high wall brackets.
1m - 1.5m or 2m - 2.5m - 3m long with a third upright.

Mesh Wall Shelves: Constructed using powder coated steel wall plates, 30mm x 30mm box arms with 50mm x 25mm end supports to take the sturdy 25mm diameter captive chrome hanging rail mounted underneath a powder coated 30x30 formed angle framework into which 50mm x 25mm mesh is fitted.

OPTIONS:

Captive Coat Hangers: Constructed of powder coated steel wire, welded to form secure hanger for garments (must be put on the clothes rail before fixing the last bracket to the wall).

FINISH:

Colours: Available in a choice of 6 standard colours - Silver (Chrome Silver Gloss) - Blue (RAL5002) - Yellow (RAL1018) - Red (RAL3020) - Green (RAL6009) - Black (RAL9005).

Ash hardwood slats: Sourced via FSC (Forestry Stewardship Council) approved agents who only harvest timber from responsibly managed and sustainable forests. Members of TTF (Timber Trades Federation) with systems in place to ensure only legal timber handled. Ash is cut to size, profiled with a 6mm round on the long edges, sanded, cleaned and finished with 2 part cellulose ac lacquer with 30% sheen level.

Steel frames: Welded in jigs for dimensional consistency, welds ground flush and all steel cleaned using a vapour immersion degreaser, then electro statically epoxy polyester powder coated to approx 60-80 microns, baked in an industrial oven and wrapped for protection during transport.

Zinc Plating: If the shelves are for use in wet conditions or where there is exposure to chlorine / bromine etc, please ensure you request Zinc Plating (additional cost applicable).
